BOYS' AND GIRLS' REGISTRATION INFORMATION

PROGRAM GOALS AND MISSION STATEMENT | All players who attend practice and follow the program rules, play. We are dedicated to fair and consistent treatment of all players. Our volunteer coaching staff is committed to creating a strong fundamental base for all participants. The ultimate goal is that all players have a great experience playing lacrosse.

NEW for 2015 – Higher level boys travel teams for the 6th, 7th and 8th grades and players will be selected based upon tryouts to be held in March. All players not selected to the travel teams will be placed on the regular teams at their grade level.

As always everyone plays and no prior Lacrosse experience is necessary. We do reserve the right to limit roster size at a level to ensure a quality experience for all.

Registration will be open for Spring 2018 as of January 1, 2018 with late fee being assessed to any players registering after 02|01|2018. Coaches and administration will be available for questions and to accept registrations in person at the Wayne PAL on the following dates:

Boys Program | 3rd – 8th Grade Boys. We play a full travel schedule with games in and out of town each week during the season. These teams will be playing March through early June, with games and practices 3-4 nights per week. For tournaments, coaches reserve the right to play with shorter rosters to ensure competitiveness. We try to schedule at least 10 games for each level but cannot guarantee it.

Girls Program | 3rd – 8th Grade Girls. All girls in the program will play at least one game each week in an in-town recreational league as well as participating in 1 to 2 practices each week. There will also be a travel team for those girls who are ready to participate in a more competitive Travel Program. Coaches reserve the right to select the players for the Travel Team based on their commitment level as well as their skill level. All girls in the program will be treated fairly. The focus will be on improving the skill level of all girls while having fun, making friends and growing a love of lacrosse.

US LACROSSE | All players and coaches must be registered with US Lacrosse prior to stepping on the field. US Lacrosse provides insurance for all players and coaches when participating in any practice, game and/or tournament play. The cost is \$25 for Youth Players, \$35 for High School Players and \$50 for Adults. In addition to the insurance benefits, members receive a monthly edition of Lacrosse Magazine and periodic discounts for lacrosse related items, services and events. To register or check your current membership status, you may do so at: <http://www.uslacrosse.org/TopNav/Membership/USLacrosseMembership.aspx>

EQUIPMENT

Boys' Program | Field players are required to wear a helmet, shoulder pads, arm guards, gloves, mouth guard and athletic supporter. Goalies are required to wear a helmet with attached throat guard, chest protector, gloves, mouth guard and athletic supporter. Sticks vary by position. We offer players in Grades 3rd-5th use of all equipment except mouth guards, athletic supporters and lacrosse sticks, which are the responsibility of each player. Grades 6th -8th can rent equipment for an additional \$50 for the season.

Girls' Program | Field players are required to have their own goggles, mouth guard and lacrosse stick. Goalie equipment is provided by the program.

PARENT INVOLVEMENT | The program has been built on volunteerism. In order to keep per player costs low, we do require all families to volunteer in at least one area. This includes, but is not limited to: staffing Bingo, apparel distribution and event staff. If you would like your child to play, you must be prepared to help!
