Summer Day Camp Highlights

At this time we are waiting for guidance from the state on opening the pool.

We are one of the very few Summer Day Camps that has their own in-ground heated swimming pool ONSITE. Kids get to enjoy the pool without the need to be bused off-site.

The pool is always licensed and approved by the Township of Wayne and supervised by 2 licensed life guards. Now Swim Lessons are Free for beginners!

Campers enjoy using the slide or just playing Pool Basketball. For those that need a little break they can also play pool side Ping Pong or Corn Hole!

We have outdoor activities on our own 3 ½ acres of beautiful green grass and ball fields. We've also added a Brand-New Gaga Ball Pit. A very popular game with the kids.

We also offer a variety of outdoor activities like:

- Kickball
- Softball
- Corn Hole
- Soccer
- Fishing at North Cove Lake
- Wiffle Ball

We're making it more exciting by upgrading our game room to include 4 brand new video game stations with 60 inch Flat Screen TVs. Other Indoor activities include:

- Video Games
- Movie Room
- Board Games
- Arts & Crafts
- Wiffle Ball
- Basketball
- Jewelry Making
- And more!

Simulated Photo

Due to restrictions this year we are unable to offer any camp trips
